

Effect Name	Description	what it do	Status Creator	Column 1	Column 2	Column 3	Column 4	Column 5	Column 6
Fire	AGH AGH AHHHHHHHHHHHHHHHHHHH	Every turn, flip a coin. If heads, get rid of the fire. If tails, roll a d4 of damage.	Tri						
Burn	also on fire but magical	3 DMG per turn for 3-6 turns or until Fish (any) is consumed	_lPz						
Respiratory virus		same as fire, but a d2 of damage instead Stackable	Tri						
Confusion	wtf	flip a coin. if tails+the card is using a move that decreases an opponent's HP, only do a basic attack (DMG=ATK) and deal 2HP of damage to self else, if tails+card is not using a damaging move, card does nothing else, card acts as normal	skit.png						
Stun	Do you have any Ibuprofen, I got a headache	Makes affected card unactionable minus their passives	_lPz						
Nausea	I want to throw up...	2 DMG for each turn. Has chance to throw up	3C & _lPz						
Throwing up	blblsdkvmdsvknskjd	unactionable, flip a coin on heads to cure	skit.png						
No	Don't even try to	Turn is skipped until a dice rolls a 10	Unknowoing						
Bleed	ow ow ow ow ow my blood ow	Inflicts 2 damage per turn, can be healed away. Goes away if bleed does 20% of enemy HP.	_lPz						
Shield	im protected, yo	Blocks any damage, but decrease amount of turns by 1 with each attack	Ratori						
Distract		Stun							
Bad luck	Imagine a world where instead of good luck being a superpower, it was bad luck	the worst possible situation will have a 100% chance of happening	Unknowoing					would this just force any d20 depend effects to automatically occur without the need to roll in the first place? -purpz	
Banned from Rhythm Games	applies to only bliv	will be targeted by every rhythm game player on the board	Tri	what counts as worst possible situation so everyone basically? that's funny - purpz	Depends on the situation		understandable		yeah, - Unknowo
Sour	something something purple tile	Deals 3 more damage than usual, but cannot be healed. Additionally, cannot catch fish, because they hate lemons.	skit.png						
Hates Lemons	something something blue tile	Heals 1 less HP from any Cytruss' heals. Only 1 damage on Sour buff.	skit.png						
Prone	ouch	-3 SPD to enemy, Takes +2 damage from attacks for 1 turn	skit.png	i reworked prone - _lPz					
Content	ahh...	Gain +2 DEF for 2 turns.	skit.png						
Ecstatic	yay!!!	Gain +2 ATK for 2 turns.	skit.png						
Terminal Incurable Illness	NO	Takes 1 damage EVERY turn. Doesn't go away.	phil

Effect Name	Description	what it do	Status Creator	Column 1	Column 2	Column 3	Column 4	Column 5	Column 6
Stressed	the deadline is in TWO FUCKING MINUTES	SPD is doubled but DEF is halved.	skit.png						
Poison	typical status effect	1 damage every turn for 5 turns.	skit.png						
Frog saliva	ew...	-3 SPD for [num of frogs]/3 turns (rounds up if not an integer)	himych						
Cry (controllably)	the divorce album is pretty chill actually	every turn, roll a d4 the number on the d4 represents the number of cards in play that you cannot use (minus their passives) After rolling, players may choose to suppress their emotions, which will mean that they are unaffected this round, but will give them Cry (uncontrollably) for the next turn	Tri						
Earbleed	TURN IT OFF!!!	dealing 2 damage passively for 4 turns	himych						
Unmeloned	uns your melon	Divides defence in 3 for 1 round Divides attack in 3 for 1 round	PsychedelicCelery						
Cry (uncontrollably)		every turn, roll a d4 the number on the d4+2 represents the number of cards in play that you cannot use(minus their passives)	PsychedelicCelery						
BOSS	IT'S OVER FOR YOU.	Naturally self-inflicted under all conditions to BOSS-type cards. If one side is completely defeated by someone with this condition, the game ends in a lose-lose draw Though this isn't a required condition, both teams should probably gang up on this card or else everyone is fucking dead	skit.png						
MINIBOSS	it's over for you??? maybe???	Naturally self-inflicted under all conditions to MINIBOSS-type or BOSS SUMMON type cards. If one side is completely defeated by someone with this condition, the game ends in a lose-lose draw Though this isn't a required condition, both teams should probably gang up on this card	skit.png						
Bad at 2d platformers		always fail DEX checks (will always loss in build speed check)	PsychedelicCelery						
bald		-1 armor (def)	PsychedelicCelery						
paci fish	"i 'spar' *spoar*" -frik	This status does nothing.	skit.png						
Calm	ahhhhh...	Gain x2 DEF and HP for 2 turns.	skit.png						
Manic	YAY!!!	Gain x2 ATK and SPD for 2 turns.	skit.png						
BSoD / CRASH	OH MY PC_CC_C_CC_C_--C_C-C_C_CCCC	Card becomes unusable for as long as this is status effect is enabled. Unable to cure status effect by normal means like Milk, must wear off naturally. DEFAULT DURATION : 1 TURN	_lPz
